

The Benefits Accounting-Payroll department administers your pension payment, and they withhold federal tax and insurance premium deductions. If you do not have a pension, they will make automatic debit withdrawals for your retiree insurance premiums.

To change federal withholding at any time in the future, please submit a new *W4P* form to their office. To change your direct deposit, please submit your new bank routing number and full account number.

Contact information for Benefits Accounting:

Idaho National Laboratory
c/o Joseph Drasso
P.O. Box 1625
MS 3596
Idaho Falls, ID 83415-3596

Telephone: (208) 526-0717
Fax: (208) 526-9320
E-mail: retiree@inl.gov

Please note that while they do withhold federal tax, they do not withhold state tax, though the pension payments may be taxable income in your state.

Several helpful links and forms can be found at the externally accessible website:

<https://inlcareers.inl.gov/Retirees>

Here you can find useful Benefits and Accounting addresses and phone numbers. You can also access a change of address form, a direct deposit change form, links to *W4P* forms, and other useful links such as access to Vanguard tools and calculators.
